EQ LEADERSHIP CERTIFICATION

EQUIP YOUR LEADERS

About the course

This is the only course of its kind – based on the latest neuroscience and provides participants with a model and language to unlock capacity to practice EQ, starting with themselves.

Course details

Delivery: 3 or 4 day in-person workshop

Duration: 3-day x 8 hours or 4-day x 6 hours (24 hours in total)

Participants: min 12 – max 24

Target Audience: Mid-Senior Leaders, Directors, incl C-suite

In advance: Participants take the SEI questionnaire and receive their Leadership Report to review together with pre-course reading.

During the workshop: Participants explore their profiles through the lens of the latest neuro-leadership research, participating in a variety of interactive activities to foster the leadership skills essential to create positive change.

There is opportunity to collaboratively apply learnings to tackle real-world and organisation-specific challenges.

This course will help

- ✓ **Springboard first time leaders**
- ✓ **Fast track high potentials**
- ✓ **Retain and prepare critical successors**
